

THE DARIEN BOAT CLUB INCORPORATED

Welcome to the 2015 launch season. This year the Executive Board has authorized all payments for Launch Services to be made via the Online Mooring web site. You can now follow the link below to access your Launch Application and make payment via PayPal. Please fill in the requested information before proceeding to checkout. As in prior years there is no deadline for payments, however payment must be on file prior to requesting service.

The Launch Service is extended to family members of the Member, and is extended to guests of the Member and family members only if in the presence of the Member or family members. Launch services are only available during posted hours at the club and subject to change. Large parties that exceed launch capacity must plan ahead for multiple trips, or plan to pick up the remaining parties at the gas dock. Please call the club for early or late season service if needed. At peak periods, all rides will be coordinated on a first come first serve basis. Per USCG regulations any passengers under the age of 12 must wear appropriate life preservers and remain under the supervision of an adult passenger. At times of inclement weather, launch services will be suspended at the dock masters discretion. Gratuities, if any, are the discretion of the member.

By submitting this application you agree to abide by all Launch Rules and Regulations as established by the DBC Executive Board.

Working together we can all assist in making 2015 our safest season.

Thank you,

2015 Fleet Committee.
